Hi Rachel,

This location is pending. It still needs three signatures from LAHSA, Sanitation and BPW- pending authorization number is 181227004. Once this location is placed and prioritized for the Clean up it would be great to have the Conservation Corp assist.

Take Care,

Emada

Hi Sgt. Tingirides,

Would like to see if this location can get scheduled soon. Happy to have the Los Angeles Conservation Corp assist as well. Please let me know.

Thanks,

Hi Sgt. Tingirides,

Our office is requesting the assistance of the Hope team for a small encampment site in an alley away behind 1529 1/2 Rosalia (between Hillhurst and Rosalia). The constituents who live and work near this alley way have been verbally assaulted and continue to have their personal property stolen. I have requested outreach teams and put in a request for area lighting in this alleyway. But it would be great to get additional support from the Hope team. If you have any questions, please let me know.

Best,
Rachel
